## **WELCOME!**

Thank you for supporting Theatre in the Grove by attending today's performance. Theatre in the Grove has been around for OVER 50 years! In 1969, a creative group of friends with a desire to act pulled together a musical and performed it on a grade school stage. Forest Grove residents responded overwhelmingly and Theatre in the Grove was born.

The historic theatre that you are in today was built in 1912 and was known as the Star Theatre then. Over the years, it was used for a variety of purposes and had several names. We are proud to call it home! As with any historic building, this one requires tender loving care. Proceeds from our performances do not cover the maintenance and restoration costs of this building. Therefore, we are dependent on the generosity of our community to support us financially! We are a 501(c)(3) non-profit organization and donations may be tax deductible.

## **DIVERSITY**

Diversity. Inclusion. More than just words in a script to us. Diversity drives innovation. Inclusion creates community. Theatre in the Grove welcomes everyone. All colors, all LGBTQIA+, all countries of origin, all economic status, all religions, all ages and all abilities. We strive to provide a safe and supportive environment to enable all art and artists to thrive for generations to come.

## Director's Note

Thank you for attending Theatre in the Grove's production of CHARLOTTE'S WEB. I hope you enjoy our interpretation of this classic story. I cannot be more pleased with this wonderful cast. You will see actors who have never performed before, some who have performed in just one or two previous productions, and a few who have had hours of experience on the stage. What's been wonderful to witness is how the more experienced actors have supported and encouraged the novices. That is the beauty of theatre! People coming together for a common goal and experience. People of various skill levels and backgrounds. No judging. Just supporting. Theatre should never be about me, me, me. It's always, us, us, us. And what we can give to the audience. I always tell my actors that the audience is the most important people in the theater and they deserve a great show.

So, as you enjoy our production I hope you witness the teamwork and camaraderie of the cast and crew. Again, thank you for coming and thank you for supporting these wonderful young actors!

# **Announcing Our Summer Youth Acting Camps!**

We're excited to announce our all-day summer camps happening in July 2025. This is an amazing opportunity for your youth to learn about all aspects of acting and live theatre. Led by our staff and other local drama and vocal teachers, youth learn and have fun while rehearsing for a full production of The Wizard of Oz. The camp culminates with 2 weekends of shows open to the public. Keep an eye out for more information on camp and audition dates, and scholarship opportunities.

## **CAST Tech Camp**

Have youth that love the theatre, but don't want to perform on stage? A week before our performance camp, tech students come to their own camp where they make the behind-the-scenes magic happen: build sets, set up lights, painting and more!

## **CAST Youth Production Camp**

Take a trip to Oz this summer with our Youth Performance Camp. Over the course of just 2 weeks, students will rehearse all the songs, learn their lines and choreography for the musical The Wizard of Oz.

**Keep an eye out for more information and audition  
dates for our performance camp**
