WELCOME!

Thank you for supporting Theatre in the Grove by attending today's performance. Theatre in the Grove has been around for OVER 50 years! In 1969, a creative group of friends with a desire to act pulled together a musical and performed it on a grade school stage. Forest Grove residents responded overwhelmingly and Theatre in the Grove was born.

The historic theatre that you are in today was built in 1912 and was known as the Star Theatre then. Over the years, it was used for a variety of purposes and had several names. We are proud to call it home! As with any historic building, this one requires tender loving care. Proceeds from our performances do not cover the maintenance and restoration costs of this building. Therefore, we are dependent on the generosity of our community to support us financially! We are a 501(c)(3) non-profit organization and donations may be tax deductible.

DIVERSITY

Diversity. Inclusion. More than just words in a script to us. Diversity drives innovation. Inclusion creates community. Theatre in the Grove welcomes everyone. All colors, all LGBTQIA+, all countries of origin, all economic status, all religions, all ages and all abilities. We strive to provide a safe and supportive environment to enable all art and artists to thrive for generations to come.

There will be one 15 minute intermission

Thank you to Sundial Baking in Forest Grove for providing the fresh Rocky Horror Show cookies!

DIRECTOR'S NOTE

In 2012, I was lucky enough to step onto this stage as a performer in THE ROCKY HORROR SHOW. Now, more than a decade later, I get to revisit it from the director's chair and it feels so amazing to get to direct so many wonderful actors in this wonderful, and weird little musical.

Rocky has lasted because it isn't just campy fun (though it is!) At its core, Rocky is about queerness. It's about the outsiders kicking the door open, claiming their space, and saying unapologetically, 'this is who I am.'

Thank you for joining us at Theatre in the Grove tonight, for supporting live theatre, and for being part of this community. Now let's do the Time Warp again.
